

University Dining Services

MSU Dining aims to provide the students of Mississippi State University with an exceptional on campus dining experience. As studies have shown, students who eat a well-balanced meal have a better chance of succeeding in the classroom. Our wide variety of options provides students with social centers while offering convenience at a great value. From coffee shops to dining halls, we've got you covered. The variety of choices includes Marketplace at Perry, the Pegasus Dining Room in the Wise Center, Templeton RFoC, McArthur Cafe, the State Fountain Bakery, Burger King, Subway, Village Pizza, Einstein's Brother Bagels, and the Union Food Court. The Food Court is comprised of Chick-Fil-A, Zoca, Mississippi Steak, Panda Express, Starbucks, P.O.D. convenience store, and our newly added Freshens which offers smoothies, frozen yogurt and fresh crepes.

Perry Dining Hall is a historic landmark of the MSU campus. It is located in the heart of campus and offers a varied menu to satisfy the needs of the students. With the offering of "all you care to eat" buffet style, a student can choose from southern-style cuisine to international favorites. Templeton RFoC, located in our athletic dining hall, offers a menu similar to Perry at lunch while offering an upscale meal at dinner for the athletes and students of Mississippi State University. McArthur Cafe is a best kept secret of the university that offers plate lunches, grab n' go items, snacks, and bottled beverages.
