

Parking Services

Regulations for the control, direction, parking, and general regulation of traffic and automobiles on campus have been approved by the Board of Trustees for State Institutions of Higher Learning. Any person who regularly or occasionally operates or parks a motor vehicle on the campus and streets of Mississippi State University will register such vehicle at the beginning of each school year or within 24 hours (excluding weekends and holidays) after it is first brought on the University campus or streets. The permit issued must be properly displayed on the vehicle. Parking areas are assigned to residence hall students, commuter students, and staff. All parking areas are marked clearly and identified properly by appropriate signs. The Office of Parking Services website (<http://www.parkingservices.msstate.edu>) provides complete information regarding regulations, services, and permit application. Graduate students who hold assistantships should contact Parking Services for information regarding their permits.
