Curriculum, Instruction, and Special Education

Department Head: Dr. Janice Nicholson, Interim Graduate Coordinator: Dr. Dana Franz 310 Allen Hall Box 9705 Mississippi State, MS 39762 Telephone: 662-325-3703 E-mail: tstevenson@colled.msstate.edu Website: http://www.cise.msstate.edu

Admission Criteria

General Admission Criteria

The Department of Curriculum, Instruction, and Special Education (CISE) offers Master of Science degrees in Elementary Education, Secondary Education, and Special Education. The Department also offers the Master of Arts in Teaching-Middle Level (M.A.T.M.), the Master of Arts in Teaching-Secondary (M.A.T.S.), and the Master of Arts in Teaching-Special Education (M.A.T.X.) degrees. The Educational Specialist degree is offered with a major in Education and concentrations in Elementary Education, Secondary Education, and Special Education.

The Doctor of Philosophy is offered in Curriculum and Instruction with concentrations in Early Childhood, Elementary Education, General Education, Reading Education, Secondary Education, and Special Education. Most graduate programs in the Department of Curriculum, Instruction, and Special Education require applicants to hold or be eligible to obtain a Class A teaching certificate in the appropriate teaching field. Programs that do not require teaching licensure prior to admission include the M.A.T.S., M.A.T.M., and M.A.T.X. programs, Special Education certification-only or the Special Education non-certified Emotional/Behavioral Disorder programs, and the Ph.D. concentration in Curriculum and Instruction.

A student applying for admission to a degree program in Curriculum, Instruction, and Special Education must submit a complete application packet to the Office of the Graduate School by

Summer	April 1
Fall	July 1
Spring	November 1

Applications not meeting the admission deadline will be held for completion and review for up to two semesters. After that time, the applicant must reapply.

A complete admission packet consists of: application to the graduate degree program; documentation of Class A teacher's certificate or eligibility for licensure (exceptions noted above); three letters of recommendation; statement of purpose (must include number of years and overview of teaching experience, if applicable); and official transcripts from each college or university attended. Official GRE scores are required for all programs except the M.A.T.S., M.A.T.M., and M.A.T.X. Applicants to an M.A.T. degree program are required to have passing scores on the Praxis Core and appropriate specialty-area test. Doctoral-program applicants must also include in their packet two scholarly writing samples and a curriculum vitae or résumé. Applicants must also document three years of teaching experience or other relevant experience. Applicants to doctoral programs must be interviewed before an admission decision is made. Minimum grade point averages required for admission to each degree are:

- Master's degrees: minimum GPA 2.75 on last half of baccalaureate degree;
- Educational specialist degrees: minimum GPA 3.20 on master's degree;
- Doctoral degrees: minimum GPA 3.40 on previous graduate degree(s).

All new students admitted into a graduate program in CISE must attend the CISE Graduate Student Orientation.

Contingent Admission

There are no contingent admissions EXCEPT for those students who are applying the same semester they are graduating with another degree and the overall GPA is pending. Otherwise, the admission packet must be complete and all admission requirements met before admission will be considered.

Provisional Admission

The Department of Curriculum, Instruction, and Special Education follows the University's Provisional Admission policy (http://catalog.msstate.edu/archives/2015-16/graduate/academic-policies/academic-requirements/#provisionaladmissiontext).

Residency Requirement

There is no general residency requirement for the master's degree. Residency for the specialist degree is a minimum of 30 weeks. A degree cannot be completed in two summer sessions or equivalent, neither in one regular semester and one summer session. For doctoral students there is no specific

on-campus residence requirement. However, students will be required to complete one-half of required coursework and all dissertation credits from Mississippi State University.

Academic Performance for All Programs

The Department of Curriculum, Instruction, and Special Education defines satisfactory performance in graduate level coursework as a grade of S on thesis/dissertation hours and a GPA of at least 3.00 on all coursework attempted. CISE follows Graduate School policy relating to academic performance. In the event a student's performance warrants dismissal from a graduate program, the CISE Graduate Coordinator will petition the Dean of the College of education to dismiss the student from the graduate program. The student will be notified of the action by certified mail. If a student makes a grade below a B in a course on his or her plan of study, the course cannot be dropped from the plan of study.

Master of Science in Elementary Education with General Elementary Concentration

Core Courses		
EDF 8363	Function and Methods of Research in Education	3
EDE 8313	Theory and Development of Early Childhood Education	3
EDE 8623	Content Area Literacy Instruction	3
EDE 8633	The Teaching of Writing	3
EDE 8713	Educating Young Adolescents	3
EDE 8733	Teaching Physical, Life, and Earth Science in the Elementary and Middle School Classroom	3
EDE 8763	Elementary and Middle Level Mathematics Education	3
RDG 8713	Teaching Struggling Readers and Writers	3
Electives		
Select four electives i	including at least two EDE and/or RDG courses from the following:	12
EDE 8513	Curriculum and Program Developments in Early Childhood	
EDE 8423	Elementary School Methods	
EDE 8433	The Elementary School Curriculum	
EDE 8443	Seminar in Elementary Education	
EDE 8463	Readings and Research in Children's Literature	
EDE 8473	The Elementary Social Studies Curriculum	
EDE 8523	Practicum: Language Arts and Literacy Development in Early Childhood Education	
EDE 8533	Behavioral Experiences in Early Childhood Education	
EDE 8543	Mathematics Experiences in Early Childhood Education

Two content courses (mathematics, science, social studies, English, reading, etc. as approved by advisor)	6

This program requires a minimum of 33 semester hours of coursework beyond the bachelor's degree and a written comprehensive exam. The focus of the program is on secondary education with supporting coursework from related fields and the teaching discipline. The written comprehensive examinations for the Master of Science degree are scheduled three times a year. The dates are the fourth Thursday of June, October, and February. Students can take the comprehensive examination when they are within 6 hours of completing their degree or are in their terminal semester, have an overall graduate GPA of 3.00, and have completed the courses that will be covered on the comprehensive examination.

A student's program of study must be filed in the Department of Curriculum, Instruction, and Special Education by the end of the first semester.

Master of Science in Special Education

This program requires a minimum of 30 hours of coursework beyond the bachelor's degree. Students must also pass a comprehensive written examination. The program is specifically intended to prepare classroom and resource teachers for public schools and institutions for students with disabilities. An add-on teaching-the-gifted endorsement is available. Clinical and practicum experiences are an integral component of the curriculum.

The written comprehensive examinations for the Master of Science degree are scheduled three times a year. The dates are the fourth Thursday of June, October, and February. Students can take the comprehensive examination when they are within 6 hours of completing their degree or are in their terminal semester, have an overall graduate GPA of 3.00, and have completed the courses that will be covered on the comprehensive examination.

Total Hours

The M.A.T.M. program is an alternate route licensure program of study that consists of 36 semester hours of graduate-level coursework. It is designed for those who wish to prepare for a career as a middle-level teacher. In addition to the criteria for admission to a Master of Science degree program (with the exception of a teaching license), M.A.T.M. candidates must pass the Praxis Core and Praxis II Specialty Area Test required for middle-level licensure by the Mississippi Department of Education, possess either 21 hours in a single content area or pass the secondary education Praxis II Specialty Area test for a specific content area, and pass a certified background check.

36

Students in the M.A.T.M. will complete the comprehensive examination in the final semester of enrollment by registering for and passing the appropriate Praxis II Principles of Learning and Teaching examination through ETS.

Master of Arts in Teaching - Secondary

EDS 8113	Classroom Management in Secondary Education	3
EPY 8473	Middle Level Assessment and Evaluation	3
EDF 8243	Middle School Diversity	3
EDS 8886	Dimensions of Learning I	3

EDS 8896	Dimensions of Learning II	3

Total Hours		36
EDF 8553	Research in the Classroom	3
or TKT 6803	Integrating Technology for Meaningful Learning	
EDS 8103	Advanced Methodologies in Middle and Secondary Education	3
EDX 8173	Special Education in the Regular Classroom	3
EDS 8623	Principles of Effective Instruction in Secondary Schools	3
RDG 8653	Teaching Reading in the Secondary Schools	3
EDS 8153	Professional Roles of the Secondary Educator	3

Total Hours

The M.A.T.S. program is an alternate route secondary licensure program of study that consists of 36 semester hours of graduate-level coursework. It is designed for a candidate with a bachelor's degree in a content discipline or with significant higher-level coursework in a single discipline who wishes to prepare for a career as a teacher. In addition to the criteria for admission to a Master of Science degree program (with the exception of a teaching license), M.A.T.S. candidates must pass the Praxis Core and Praxis II-Specialty Area Test (in the licensure area); and have completed 21 hours of coursework in the content area of licensure. M.A.T.S. students must also pass a certified background check prior to beginning field experiences.

Students in the M.A.T.S. will complete the comprehensive examination in the final semester of enrollment by registering for and passing the appropriate Praxis II Principles of Learning and Teaching examination through ETS.

Master of Arts in Teaching - Special Education

EDX 6173	Introduction to Contingency Management	3
EDX 8173	Special Education in the Regular Classroom	3

EDE /EDS /EDX 9221	Professional Practice in Teacher Education	1
Additional major area coursework (may include master's and educational specialist coursework) ¹		24
Dissertation credit hours		20
Total Hours		90

The program requires a minimum of 90 semester hours of coursework beyond the bachelor's degree.

Additional 24 hours of major-area and supporting coursework including 12 hours in the concentration and up to 12 hours in a minor area. Concentrations include Elementary Education, Secondary Education, Special Education, Reading Education, Early Childhood Education, or General Education. At least two-thirds of the total hours of coursework on the plan of study, exclusive of dissertation hours, must be courses at the 8000 level or above.

Other Requirements

Demonstration of competence in the application of research and statistics through the research skill requirement; written and oral comprehensive examinations; and a dissertation.

See the CISE Graduate Handbook for information about the doctoral comprehensive examination.

Completion Requirements for All Programs

All graduate students must attend the CISE graduate orientation or complete the online orientation quiz. All graduate students submitting a thesis or dissertation must attend the thesis/dissertation workshops conducted by the Library within the year in which they are completing the dissertation and before receiving the graduate coordinator's signature. All students seeking the Doctor of Philosophy degree must satisfy the research skills requirement before taking the written comprehensive examination.

For further information concerning the degree programs offered by CISE, students should refer to the Department of Curriculum, Instruction, and Special Education Graduate Handbook (www.cise.msstate.edu).
