

Undergraduate Enrollment in Graduate Courses

An undergraduate student at Mississippi State University who lacks 12 or fewer credit hours to complete the undergraduate degree requirements may seek approval to enroll in courses for graduate credit in the final undergraduate semester or term. The student should meet the grade point average requirement for regular admission to the particular graduate program and may take up to 9 graduate credit hours; the combination of undergraduate and graduate credit hours may not exceed 13. Any exception to the stated criteria must be approved by the Provost (per Graduate Council, May 2004). In order to register for the course(s), the MSU student must submit the Undergraduate Request to Enroll in Graduate Courses form (<http://www.grad.msstate.edu/forms/>) signed by the student's undergraduate department head, dean of the student's college, and instructor(s) of the graduate course(s). The completed form is submitted to the Office of the Graduate School for processing.
