

Legal Resident Status

Students are classified as in-state or out-of-state for the purpose of paying University fees. The Office of the Graduate School will make the initial classification at the time a student's application for admission is processed. The burden of proof for establishing residency resides with the applicant. If a student misrepresents his or her status, that student will be responsible for paying the fees that should have been required and will be subject to disciplinary action or dismissal from school. The University Registrar is authorized to change a student's residence status upon receipt of evidence that the student is improperly classified.

The following Institutions of Higher Learning and Mississippi State University policies apply in determining the residential status of students for the purpose of enrolling and paying fees at a state-supported institution of higher learning:

- Voter registration
- Motor vehicle registration (Persons moving into the state on a permanent basis have 30 days to register vehicles.)

- State to which personal income taxes or other taxes paid
- Status of income sources
- Location of bank, savings, and other accounts

Responsibility for Reporting Change

It is the individual student's responsibility to report immediately to the Registrar any change, which will affect his or her residence status under these regulations.

6. Non-resident students who are certified participants in The Academic Common Market

Academic Common Market

Academic Common Market non-resident tuition remission (exemptions) are available for specific academic programs for students from certain states.

Application must be made first with the awarding state. The student must be a legal resident of that state and approved for a specific major at MSU. Both undergraduate and graduate students are eligible to apply. A qualified student must maintain full-time status, remain in academic good standing, and comply with all the requirements of the degree program. The waiver is 100 percent of non-resident tuition remission and will remain at this level unless the student's field of study changes or a student no longer has full-time status. If a student changes his/her major from the approved ACM certified major, then he/she must inform the Office of the Provost of the change of status. The student will be responsible for the non-resident tuition for the remaining semesters at MSU. To be eligible for the non-resident tuition remission during the first semester of enrollment, applications and resident verification must be submitted to and approved by the Office of the Provost and Executive Vice President for Academic Affairs prior to the first day of class.
