

Disability Resource Center

Students with disabilities who wish to receive academic accommodations can visit the Disability Resource Center (DRC) website at <http://drc.msstate.edu> (<http://drc.msstate.edu/>) for information and an online application. DRC coordinators work closely with students to formulate plans for academic and other accommodations, based upon documentation of disability. DRC is located on the ground floor of Montgomery Hall, telephone (662) 325-3335. A student may appeal to the Provost and Executive Vice President if they disagree with a determination regarding an academic accommodation or modification.
