**Undergraduate Coordinator:** Dr. Whitnee Nettles, [wnettles@chemistry.msstate.edu](mailto:wnettles@chemistry.msstate.edu)

**Academic Coordinator:** Ericka Akins, [eakins@chemistry.msstate.edu](mailto:eakins@chemistry.msstate.edu) / [tfultz@chemistry.msstate.edu](mailto:tfultz@chemistry.msstate.edu)

1115 Hand Chemical Laboratory

Website: [www.chemistry.msstate.edu](http://www.chemistry.msstate.edu)

The Department of Chemistry offers two degree programs: the Bachelor of Science (B.S.) and the Bachelor of Arts (B.A.) degrees. A total of 124 hours is required to complete each degree program. Our chemistry degree programs provide an excellent foundation for career paths in graduate school, teaching, medicine, pharmacy, dental, and numerous industry positions.

The B.S. degree program offers three additional concentrations: the American Chemical Society (ACS) concentration, the Pre-Medical concentration, and the Pre-Pharmacy concentration. The ACS concentration is designed to prepare graduates for a career in industry or to further their education through graduate studies. The American Chemical Society (ACS) has continually approved the department and its curriculum since 1941, certifying degrees earned by completing the B.S. degree with the ACS concentration. The Pre-Medical concentration is intended to aid students in meeting medical school pre-requisites. This concentration combines required biology courses with specific chemistry courses designed to prepare students for the rigors of medical schools, dental schools, or other professional schools. Our Pre-Medical concentration is based on the pre-requisites required by the University of Mississippi Medical Center (UMMC). The Pre-Pharmacy concentration is designed to meet the pre-requisites for the School of Pharmacy at the University of Mississippi. These requirements mirror those of other pharmacy schools, but students who wish to attend other pharmacy schools should communicate this information to their advisor.

The B.A. degree program has a stronger liberal arts emphasis and could serve as a preparation for a secondary teaching career, chemical sales, or further study at a professional school.

The Department of Chemistry also offers a M.S. (non-thesis and thesis) and Ph.D. in Chemistry (see the Graduate Catalog for description of programs and requirements for more information on these advanced degrees).

## Chemistry Minor Requirements

Students in other majors may earn a minor in Chemistry by achieving at least a 2.00 average in a total of 22 hours of chemistry (CH) courses with 14 of the hours in upper-division courses (3000-4000 level), and a minimum of 11 of the total hours completed at MSU. Students interested in a chemistry minor should contact the Academic Coordinator.

## B.S. in Chemistry

### General Education and College Requirements

#### English Composition

EN 1103	English Composition I	3
or EN 1104	Expanded English Composition I	
EN 1113	English Composition II	3
or EN 1173	Accelerated Composition II	

#### Foreign Language

Foreign Language I	3
Foreign Language II	3

#### Humanities

Literature - A&S core	3
History - A&S core	3

#### Mathematics

MA 1713	Calculus I	3
MA 1723	Calculus II	3

#### Fine Arts

A&S core	3
----------	---

#### Natural Sciences

Satisfied within the major

#### Social Sciences

A&S core <sup>1</sup>	6
-----------------------	---

#### Major Core

Student should check for prerequisites for all courses. See advisor.

CH 1141	Professional Chemistry: Paths	1
CH 1234	Integrated Chemistry I <sup>1</sup>	4
CH 1244	Integrated Chemistry II <sup>3</sup>	4
CH 2141	Professional Chemistry: Tools	1
CH 3213	Inorganic Chemistry	3
CH 3311	Analytical Chemistry I Laboratory	1
CH 3313	Analytical Chemistry I	3
CH 3141	Professional Chemistry: Literature	1
CH 4141	Professional Chemistry: Research	1
CH 4351	Analytical Chemistry Laboratory II	1
CH 4353	Analytical Chemistry II	3
CH 4554	Integrated Organic I <sup>4</sup>	4
CH 4564	Integrated Organic II <sup>5</sup>	4
CH 4711	Senior Seminar	1

**Oral Communication Requirement**

Satisfied with CH 1141, 2141, 3141, 4141, and 4711 sequence in major

**Jr/Sr Writing**

Satisfied with CH 3141, 4141, and 4711 sequence in major

Note: Students must complete 31 upper division hours in A&amp;S in residence at MSU.

<sup>1</sup> Social Science electives must cover two disciplines and come from A&S core; students in Pre-Medicine concentration must take PSY 1013; students in Pre-Pharmacy concentration who plan to attend the University of Mississippi School of Pharmacy should take EC 2123.

<sup>2</sup> CH 1234 can be replaced by CH 1213 and CH 1211

<sup>3</sup> CH 1244 can be replaced by CH 1223 and CH 1221

<sup>4</sup> CH 4554 can be replaced by CH 4513 and CH 4511

<sup>5</sup> CH 4564 can be replaced by CH 4523 and CH 4521

**Choose one of following paths to complete the B.S. degree:****B.S. with non-A.C.S. certification**

CH 4403 & CH 4421 or CH 4413 or CH 4423	Biophysical Chemistry and Physical Chemistry Laboratory II Thermodynamics and Kinetics Quantum Mechanics and Spectroscopy
