

Division of Arts and Sciences

Dr. Richard Damms, Division Head

Professor: Dr. Vicki Gier, Dr. James Kelley, and Dr. Marian Swindell

Associate Professors: Dr. Toby Bates, and Dr. Amanda Cook

Clinical Assistant Professors: Dr. Lin Ge, and Dr. Angela Savage

Instructors: Dr. Jarrod Fogarty, Dr. Greg Johnson, and Dr. Andrea Germany

The Division of Arts and Sciences offers nine degree programs: Bachelor of Arts in Criminology, English, General Liberal Arts (GLA), History, Psychology, Communication –*Concentration in Broadcasting*, Bachelor of Science in Interdisciplinary Studies (BSIS), Bachelor of Applied Technology in Healthcare Services (BAT), Bachelor of Applied Technology in Hospitality and Event Services (BAT), and Bachelor of Social Work (BSW).

Bachelor of Arts in Criminology

Advisor: Dr. Amanda Cook

The Bachelor of Arts in Criminology degree program offers students the opportunity to explore the nature and causes of crime as well as examine the social response to crime and its effect on society.

The degree emphasizes the study of types, patterns, and trends in criminal behavior, and trains students to analyze crime data, test explanations of crime and victimization, and critically evaluate crime theory and policy.

General Liberal Arts Program (GLA)

Advisor: Dr. James Kelley

Students who prefer to specialize in more than one field of study may earn a B.A. degree in General Liberal Arts. Requirements for this degree include all of the following: satisfactory completion of the University and College Core curriculum; satisfactory completion of the College of Arts and Sciences B.A. requirements; approval of the proposed G.L.A. program; satisfactory completion of twelve hours of upper-division courses (courses numbered 3000 and above) in each of three fields of study. The three fields may all be within the College of Arts and Sciences, or one of the three may be within another school/college of the University if that field is related to the student's educational or career goals. To insure an orderly progression of work toward the degree, interested students should meet with the program's advisor as early as possible. Furthermore, admittance into the program requires a GPA of at least 2.5 and the approval of the GLA Committee and the Associate Dean of the College of Arts and Sciences. General Liberal Arts is not suitable for students who are uncertain about their choice of a major; these students should see the Undecided listing in this section.

General Education and College Requirements

Bachelor of Arts in History

Advisor: Dr. Toby Bates

The Bachelor of Arts in History degree prepares students to think critically beyond their immediate environment, learn research skills and the proper method of collecting data, develop historical arguments, and successfully communicate their conclusions. Students will achieve a detailed understanding of the political, cultural, economic, and racial aspects found within American history, European history, as well as Latin American history. Through a study of Mississippi history students will also find great insight into their local and state narratives.

Bachelor of Arts in Psychology

Advisors: Dr. Vicki Gier and Dr. Rodney Wilson

The Bachelor of Arts in Psychology degree offers students the opportunity to learn unique insights into human behavior and mental processes which enable them to have a positive impact on people’s day-to-day lives. Students will develop good research, writing, and problem solving skills, and the ability to analyze, synthesize, and evaluate information.

Psychology majors are encouraged to work with faculty members on research projects and to share authorship of posters and journal articles. Students also have an opportunity to experience an internship in area mental health facilities.

Required Curriculum

Undergraduate students wishing to major in psychology must have a minimum 2.0 grade point average on all college work attempted prior to entering the major. The Bachelor of Arts degree program in psychology is designated to provide training for advanced study in psychology or related fields. Advanced study is recommended for students desiring a career in psychology. Psychology majors must earn a C or better in all required psychology courses.

Bachelor of Science in Interdisciplinary Studies (BSIS)

Advisor: Dr. Jarod Fogarty

The Bachelor of Science in Interdisciplinary Studies is a university-wide degree coordinated through the Office of Academic Affairs by the Interdisciplinary Studies Committee. This multi-discipline academic program is appropriate for students motivated by specific interests not recognized in traditional majors and is not intended to compete with existing programs. All University requirements, including 32 hours of upper division course work and a year's residence, must be met for graduation.

The Bachelor of Science in Interdisciplinary Studies is intended to allow students maximum flexibility to custom-design a curriculum to meet their personal and career goals. Such a program of study must assure depth of study as well as breadth. Therefore, it must insure that students take at least 36 upper-division hours in the areas they have chosen for emphasis and that they select a minimum of 12 hours in each of three areas or 18 hours in two. Emphasis areas must be selected from at least two colleges. General education requirements (45 hours) must be met in addition to a general studies core of 15 hours. A total of 122 semester hours is required for graduation, along with an MSU and cumulative GPA of 2.0.

To insure coherence in the program, the student must construct and explain in writing the rationale for the interdisciplinary studies program's direct relationship to the student's personal and career goals. Each student will be required to find advisors in the academic disciplines who will agree to sponsor the student in drawing up the proposed curriculum, formulating the rationale, and presenting the case in writing to the Interdisciplinary Studies Committee. This should be done prior to the senior year.

If approved, the student may proceed with the curriculum. The Committee will meet during the fall, spring and summer semesters, and students must make written application by September 15 or February 1. Application for a degree must be submitted to the Office of the Registrar. For further information, contact Dr. James Kelley, Office 088 of the MSU-Meridian Campus.

Bachelor of Social Work

Program Director: Dr. Angela Savage

The Social Work Program at Mississippi State University Meridian Campus is accredited by the Council on Social Work Education. The purpose of the social work profession is to promote human and community well-being. Guided by a person-in-environment framework, a global perspective, respect for human diversity, and knowledge based on scientific inquiry, the purpose of social work is actualized through its quest for social and economic justice, the prevention of conditions that limit human rights, the elimination of poverty, and the enhancement of the quality of life for all persons, locally and globally. (CSWE, 2015)

The Bachelor of Social Work (BSW) prepares students for entry-level generalist social work practice. Students learn ways to properly assess and develop therapeutic working relationships with diverse populations, utilize varying intervention approaches, identify strengths and enhance client problem-solving and coping skills, as well as program evaluation, advocacy, research, and community outreach.

The Social Work curriculum is grounded in a liberal arts perspective. This liberal arts perspective enhances the person-in-environment focus of generalist social work practice.

Although students may enroll in social work as their major, there is a formal admission process into the social work program. To be eligible for admission to the social work program students must meet the following criteria for admission into the program:

1. Cumulative GPA of 2.0
2. Completion of the following liberal arts requirements:
 - # English Composition I and II
 - # College Algebra
 - # Introduction to Sociology
 - # American Government
 - # General Psychology
 - # Anatomy & Physiology
 - # Principles of Economics
 - # Fundamentals of Public Speech
 - # Basic Computer Concepts & Applications
 - # Social Work with At-Risk Populations
3. Completion of two of the following social work courses with a minimum grade of C:
 - SW 3003 Social Work with At-Risk Populations
 - SW 2303 Social Welfare Policy I
 - SW 3013 Human Behavior in the Social Environment I
4. Completion of SW 2313 Introduction to Social Work (including 20 hours of service learning experience) with a minimum grade of B.
5. Completion of an Application for Admission to the Social Work Program.
 - Students must provide three reference letters on provided forms
 - Authorize a Background Check, Child Abuse/Neglect and Sex Offender Registries
 - Participate in a personal interview with Social Work Program Admissions Committee.

Before enrolling in any social work classes, it is the responsibility of the student to consult with their social work advisor regarding any prerequisites for social work classes.

The criteria for remaining in the program include:

- Maintain an overall GPA of 2.0, with a 2.75 GPA for all social work courses.
- Must earn a minimum of a "C" in each social work course.
- Continue to demonstrate an aptitude for a social work career.
- Adhere to all academic expectations of the university and the social work program.
- Adhere to the National Association of Social Workers Code of Ethics.

Bachelor of Applied Technology

Advisor: Mr. Ben Pace

The Bachelor of Applied Technology (BAT) degree offers students who have completed technical course work the opportunity to apply up to twenty-eight hours of those credits toward completion of a bachelor's degree. This degree will also benefit those who are already working but would like to further their education by earning a bachelor's degree.

The concentration in Healthcare Services is designed for students who have completed technical course work in the health professions and related programs at 2-year colleges. The concentration focuses on courses in health policy, managed care, and other pertinent topics for today's changing healthcare environment.

The concentration in Event and Hospitality Services is designed for students who have completed course work in the hospitality services, marketing, and related programs at 2-year colleges. The concentration focuses on courses in managing, marketing, and administering event and hospitality services in a diverse social and cultural environment.
