Mission

The mission of the Department of Music at Mississippi State University is to contribute to the development of broadly acculturated citizens in our state and region through enhanced musical understanding and enriching musical experiences, providing access and opportunity to our diverse population through programs of teaching, research, and service.

About the Department

In the Fall of 2022 the department moved into a \$21 million state-of-the-art facility. The 37,000 square foot facility at 124 Hardy Road includes classrooms, a choral rehearsal hall, faculty offices, sound-proof practice rooms, recording studio, lecture/recital hall, student lounge, and administrative suite to complement the Famous Maroon Band facilities. The Department of Music is part of the College of Education and is an accredited institutional member of the National Association of Schools of Music.

Bachelor of Music Education

The Bachelor of Music Education is a 124-126 hour professional degree program (depending on concentration) that leads to licensure to teach music in the State of Mississippi. The Department of Music offers four concentrations of the BME: Guitar, Instrumental, Keyboard and Vocal.

The Instrumental concentration qualifies the student for a Music Instrumental (K-12) teaching license. The Vocal, Keyboard, and Guitar concentrations qualifies the student for a Music Choral (K-12) teaching license.

The Vocal concentration qualifies the student for a K-12 Choral Music teaching license, allowing graduates to teach General, Instrumental, and Choral music in all grades in the state of Mississippi.

Bachelor of Music Performance

The Bachelor of Music Performance is a 120-hour professional degree program that prepares students to work independently towards performance at the highest possible level; possess knowledge of applicable solo and ensemble literature; and to gain experience with the fundamentals of music pedagogy. The Department of Music offers four concentrations of the Bachelor of Music Performance; Guitar, Instrumental, Keyboard, and Vocal.

Bachelor of Arts in Music

The Department of Music offers a Bachelor of Arts in Music degree in a liberal arts tradition of music study. This degree is designed to provide foundation coursework to apply to a variety of interdisciplinary careers including music, in preparation for graduate study, or for self-improvement.

Students are required to earn a "C" or better in all required (non-elective) Applied Music (MUA), Music (MU), and Music Education (MUE) courses.

Auditions

All potential music majors and minors are required to audition for appropriate faculty in order to determine their preparedness to enter the program, participate in ensembles, and determine eligibility for a scholarship or service award.

Although alternate dates are available, the preferred audition date for music majors and minors in all areas is the third Saturday in February. Other audition dates are available by contacting the applied faculty of your area of concentration, the department office (662) 325-3070, or the major ensemble offices.
